Sir:

INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §§1.56, 1.97 and 1.98, this Information Disclosure Statement includes:

1. 🛛	Documents including patents, publications, and other information listed on the attached							
	Form PTO-1449 for consideration by the Examiner;							
2. 🔲	Form PTO-1449 which lists documents including patents, publications and other							
	information for consideration by the Examiner but in accordance with 37 C.F.R. 1.98(d)							
	does not include those documents which have been previously cited or submitted to the							
	Patent Office in the following prior application U.S. Serial No, filed							
	which is properly identified and relied on.							
3. 🔲	Other information for the Examiner's consideration which was cited in a communication							
	from a foreign natent office in a counterpart foreign application							

The information herein cited is only in fulfillment of Applicant(s) duty of candor in disclosing all information brought to Applicant(s) attention. This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that

each or all of the listed documents are material or constitute "prior art". If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicant(s) reserve the right to present to the office the relevant facts and law regarding the appropriate status of such documents.

Applicant(s) further reserve(s) the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

In accordance with MPEP Sections 609 and 707.05(b), it is requested that each and every document cited (including any cited in applicant's specification which is not repeated on the attached Form PTO-1449) be given thorough consideration and that it be cited of record in the prosecution history of the present application by initialing on Form PTO-1449. Such initialing is requested even if the Examiner does not consider it to be prior art for any reason, or even if the Examiner does not believe that the guidelines for citation have been fully complied with. This is requested so that each document becomes listed on the face of the patent issuing on the present application and is evidence that the Examiner has considered the document.
